

Dear Parent / Carer,

Having outlined the importance of timely intervention in my previous letter, I would like to take the opportunity to draw your attention to the details of the intervention package that will be on offer to our Year 10 cohort this academic year.

What does intervention look like at Brayton?

- **Period 7s** – This is a compulsory lesson running from 14.30pm – 15.30pm. Students will rotate through the different subjects as shown on the intervention schedule. Transport home will be provided for students who usually catch the school bus home via a diary system which is kept in reception.
- **Holiday Sessions** – These sessions may be based around revision or used to complete controlled assessments in option subjects. A detailed plan of holiday sessions will be sent in advanced, detailing individual subjects times and dates. Once again these are advisory and not compulsory.
- **Parents Evenings** – These are a compulsory event for all parents / carers to attend. If you are unable to attend, please let myself know and we will arrange a time where teaching staff can provide accurate feedback to your son/ daughter’s learning.
- **Prep-Room** – An advisory room (by invitation) will be provided for students every Tuesday from 2.30pm until 4.30pm. Students will work and revise in a calm and quiet environment. Students have access to computers, bespoke intervention work packs and a member of senior staff available to support.

- **EPE (Exam Preparation Evening)** – This is an event where revision resources and advice are given to students and parents about the best way to prepare for examinations. This even also allows the teaching staff to share revision resources with parents.
