Exam and Revision Timetable

Monday 12 January – Wednesday 28 January

## Instructions

**This examination timetable covers all mock exams in the period 12 to 28 January 2025.**

- Please **check carefully** for all your examinations – check with your teachers if you are uncertain.
- The aim of the boosters is to ensure you are ready for your mock exams and have the best chance possible to achieve your potential. It also makes it as close to the real exam as possible, so you know what to expect.
- Papers from these mocks will be kept as evidence in the unlikely event that summer exams are cancelled and we are required to provide teacher assessed grades.
- **All morning examinations start at 9.30 am** (after a Period 1 booster).
- **All afternoon examinations start at 1.00 pm** (after a Period 4 booster)
- **You will have lunch 5a (12.15 pm).**
- Please check the duration of afternoon exams carefully, as they may finish after the normal end of the school day. We are unable to hold school buses, so you may need to make alternative arrangements to get home.
- Any changes to the Booster timetable will be communicated before the first exam.
- If you have any questions please see Mr Nodder or Mr Parish.
- If for any reason you cannot attend any of the sessions you must contact school immediately.

## Information for candidates Using social media and examinations/assessments

**While we like to share our experiences online, when it comes to exams and other assessments, we have to be careful.**

- Sharing ideas online can be helpful when you're studying or revising
- However, sharing certain information (see information on the right) can break the rules and could affect your results
- If you're not sure what you can and can't discuss online, check with your teacher
- If you receive exam content on social media, you must tell your teacher
- Don't be caught out by scammers selling fake exam papers

**Things to do on social media:**

- Have fun
- Be responsible
- Report any exam or assessment content you see to your teacher

**Things not to do on social media:**

- Buy/ask for/share exam or assessment content
- Pass on rumours of what's in exams or assessments
- Share your work
- Work with others so that your assessment is not your own independent work

**If you do any of the above activities, you may:**

- Receive a written warning
- Lose marks
- Be disqualified from a part of or all of your qualifications
- Be banned from taking exams and assessments for a number of years
